 - Your most recent 990 and audited financial statements (if you have them)
 - Optional: an annual report or other marketing brochure

Mission Statement: The Simpson PSB Fund aims to create a world where all children and youth have the opportunity to reach their full potential through non-formal and formal education, art enrichment and the opportunity to live in healthy and safe families and communities. PSB grant making is need-driven, evidence-based and while not exclusive, prioritizes serving children in California or communities where family members are living.

Please email the proposal to grants@simpsonpsbfund.org

Thank you! We look forward to learning more about your organization and the work that you do.
